AT A GLANCE

UPSTAIRS PRIVATE AREA

Our newly opened upstairs space at Residence Moortown is now available for private hire, offering a stylish and versatile setting for celebrations, corporate events, networking evenings, and private gatherings.

The space is suitable for groups of between 20 and 50 guests, with seating available for up to 38 people and a standing capacity of 50. A room hire fee of £50 applies to all bookings and is payable upon confirmation.

For seated events, we offer a selection of one, two, or three course dining options with a minimum food spend of £400. Menus can be tailored to suit the occasion, including the option of small plates as starter selections, with pre-orders arranged in advance to ensure smooth service for larger groups.

For more informal or social occasions, the upstairs space is also available for standing receptions with buffet-style catering. Our buffet offering is designed to provide a relaxed sharing-style experience and includes a selection of pizzas, sliders, bao buns, and accompanying sides and salads, with pricing from approximately £20 per person.

A dedicated drinks service will be available for upstairs events, with wine service provided directly from the upstairs service area.

We are currently developing additional upstairs draught options, including mobile draught service and bottled beer availability.

Cocktails, spirits, and the full drinks selection from the main bar will also remain available throughout the event.
